STATEMENT OF SHARED PURPOSE

VISION STATEMENT: The Sam M. Walton College of Business is a nationally competitive business school that connects people with organizations and scholarship with practice by combining excellent student learning experiences with quality research serving Arkansas and the world.

CORE VALUES:

- Excellence:** We strive for excellence in all we do.
- Professionalism:** We believe organizational practices must be built on an ethical foundation and high standards of professional behavior.
- Innovation:** We value creativity, innovation, and entrepreneurial spirit.
- Collegiality:** We believe in working together to examine situations and ideas from diverse perspectives.

MISSION STATEMENT:

The Walton College, the flagship business school of the state of Arkansas, has a three-fold mission:

- TEACHING: Educate** a diverse population of students in bachelor's, master's, and doctoral programs to be tomorrow's business, community, and academic leaders;
- RESEARCH: Discover** and disseminate knowledge through our research to support excellence and innovation in organizations; and
- SERVICE: Share** our business expertise in support of our state, our professions, and the academic community.

ORGANIZATION AND FACILITIES: The Walton College offers degree programs for undergraduate students and for graduate students at both the master's and doctoral levels. The college has been a member of, and accredited by, AACSB International - The Association to Advance Collegiate Schools of Business since 1931. The accounting program was accredited separately in 1986 at both the bachelor's and master's level. The master's degree in the business administration program was approved in 1963. Accreditation by and membership in AACSB signifies commitment by the college to the goals of promoting and actualizing the highest standards of business education.

The Walton College is housed in four modern buildings supporting on-campus programs. These attractive facilities provide technology-equipped classrooms and state-of-the-art computer laboratories for both business classes and individual use. The buildings also house faculty and administrative offices, an honors program study area with computer access, the Walton College Career Center, and a large study room equipped for individual as well as group studying.

The library of the college is part of the general University Libraries and is housed in Mullins Library. The business and economics collection comprises approximately 55,000 volumes and makes this library one of the best in the region. Walton College also operates centers for research, outreach, and public service. Information about these centers may be found in the University Centers and Research Units section of this catalog. Walton College centers include the following:

- Applied Sustainability Center
- Bessie B. Moore Center for Economic Education
- Center for Business and Economic Research
- Center for Management and Executive Education
- Center for Retailing Excellence
- Garrison Financial Institute
- Information Technology Research Institute
- RFID Research Center
- Supply Chain Management Research Center
- Small Business and Technology Development Center
- Tyson Center for Faith and Spirituality in the Workplace

UNIVERSITY OF ARKANSAS ADVISING MISSION STATEMENT

Academic advising is an active, ongoing exchange between the advisors and students grounded in teaching and learning. Advising is based on students gaining accurate and appropriate information and direction to help make their educational experience relevant, coherent, and meaningful. It is a process that assists students in connecting with the University of Arkansas, making thoughtful decisions related to their academic experiences, and maximizing their educational and career opportunities. Quality academic advising is essential to achieving the University's vision.

While procedures may vary among schools and colleges, all successful academic advising should include the following:

- A mutual responsibility between advisor and student with the student possessing final responsibility for successful completion of a degree.
- Respect for students' ethnic and racial heritage, age, gender, culture, national origin, sexual orientation, and religion, as well as their physical, learning, and psychological abilities.
- A developmental and educational process that occurs over time.
- Consideration of individual students' interests, abilities, and needs.
- A collaborative effort to connect students to campus resources and services.
- Reasonable availability and accessibility of advisors.
- Interpretation of University of Arkansas, college, and departmental rules and regulations.
- A student's understanding of the purpose and nature of the university core courses.
- Recommendation of appropriate courses.
- A student's understanding of and progress toward academic requirements.
- General information regarding career options and opportunities, with appropriate referrals as necessary.
- An understanding of and adherence to laws and regulations that relate to academic advising.
- Adherence to the highest principles of ethical behavior.

The Advising Partnership How are advisors assigned? When students take WCOB 1111 Business Connections, their instructor is their advisor for the first two semesters. After that, students may **make appointments** (no drop in or phone advising) to see any of the professional advisors in the Undergraduate Programs Office. To help with the success of your academic advising session and your academic career, it is your responsibility to:

- Schedule an advising appointment EARLY each semester by calling (479) 575-6308. As a general rule, we do not advise via e-mail or over the phone.
- Be on time for your appointments: students who are more than 10 minutes late will be rescheduled.
- Review your curriculum prior to meeting with your advisor.
- Write down your questions.
- Have a copy of your schedule handy.
- Know your Student ID Number.
- KEEP AND BRING YOUR ADVISING WORKSHEETS.
- Keep copies of all academic records, transcripts, relevant e-mails, and petitions.
- Be aware of pre-requisites and co-requisites.
- Read your Catalog of Studies.
- Consult your advisor before making drastic changes to an agreed upon schedule.
- Take responsibility for your academic career.

UNDERGRADUATE DEGREE PROGRAMS Undergraduate students may pursue curricula leading to one of the following degrees: Bachelor of Science in Business Administration (B.S.B.A), Bachelor of Science in International Business (B.S.I.B.). In each of these degree programs, the pre-business requirements must be completed before students may enroll in upper division business courses. Students in Walton College may pursue an academic minor in business or in the J. William Fulbright College of Arts and Sciences. Walton College also offers business minors for business and non-business students. Degree programs and minors are outlined on subsequent pages.

ADMISSION TO THE SAM M. WALTON COLLEGE OF BUSINESS All students admitted to the University of Arkansas, Fayetteville, are eligible for admission to the Sam M. Walton College of Business. Students will be required to follow the degree program requirements set forth in the catalog corresponding to the student's first semester in Walton College, not the first semester of enrollment at the University of Arkansas.

COLLEGE SCHOLARSHIPS High school graduates who expect to enroll in the Walton College are encouraged to apply for scholarships made available to freshmen by individuals, business firms, and organizations. Also available to freshmen, regardless of degree program, are freshmen academic scholarships. Current Walton College students may apply for both college and departmental scholarships beginning in January of each year for the following academic year. Information on these financial awards may be secured from the Academic Scholarship Office and the Walton College Undergraduate Programs Office.

ACADEMIC REGULATIONS OF WALTON COLLEGE

Pre-Business Requirements Students pursuing a degree in the Walton College are classified as pre-business with an intended major until all pre-business requirements are fulfilled. The following policies apply to the pre-business program:

To be eligible to enroll in upper-division business courses in the Walton College, a student must complete the Walton College computer competency requirement (WCOB 1120) or ISYS 1123 Business Application Knowledge and obtain at least a 2.50 (on a 4.00 scale) overall grade-point average (GPA) in addition to completing the 25 credit hours of pre-business core courses (or their equivalents) listed below, also with at least a 2.50 GPA. Further, a student must complete all courses offered to meet this requirement with a grade of "C" or better or the requirement for graduation. The pre-business core courses are as follows:

ACCT 2013	Accounting Principles I	MATH 2043	Survey of Calculus
ACCT 2023	Accounting Principles II or	MATH 2053	Finite Mathematics
	WCOB 2053 Business Foundations	WCOB 1111	Business Connections
COMM 1313	Public Speaking	WCOB 1120	Computer Competency Req. or
ECON 2013	Principles of Macroeconomics		ISYS 1123 Business Appl. Knowledge
ECON 2023	Principles of Microeconomics	WCOB 1033	Data Analysis & Interpretation

Students' records will be evaluated each semester to determine whether a student should be moved to a major and have the pre-business classification removed. After receiving notification that a student has been admitted into his or her major, the student is expected to arrange for a degree check by the Undergraduate Programs Office to ascertain remaining degree requirements.

Business Core Requirements Students pursuing a degree in the Walton College must complete the following business core courses:

BLAW 2013	The Legal Environment of	MGMT 2103	Managing People & Organizations
	Business	MGMT 3013	Strategic Management
ISYS 2103	Business Information Systems	MKTG 3433	Introduction to Marketing
FINN 3043	Principles of Finance	SCMT 2103	Intro. to Supply Chain Management

Registration in Junior/Senior-Level Walton College Courses Walton College students must complete the pre-business requirements prior to enrollment in junior- or senior-level courses in Walton College. Non-degree seeking students and students enrolled in other colleges are subject to the same direct course prerequisites as students with majors in the Walton College. Specific exceptions to this policy must be addressed to the assistant dean for undergraduate programs in the Walton College.

Restrictions on General Education Electives Only three hours total of general education electives will be allowed in Physical Education Activity (PEAC) or Dance Education Activity (DEAC) courses.

Transfer of Credit Policies In addition to the University policies controlling the granting of credit for course work taken at other institutions, the following policies apply to transfer work applied to any undergraduate business program:

1. Transfer students considering admission to pursue a major in Walton College must have completed the pre-business courses and requirements listed above and have a 2.50 (on a 4.00 scale) cumulative grade-point average in the pre-business courses and in his or her overall grade-point average. Transfer students will be classified as pre-business students until pre-business core requirements have been completed.
2. A pre-business and overall grade-point average for courses accepted for transfer by the University of Arkansas will be calculated and used to evaluate the completion of the pre-business requirements by students transferring courses from other institutions.
3. Unless exceptions are granted at the time of admission to the University of Arkansas, transfer courses accepted by the University will not be accepted by Walton College for degree purposes unless a grade of "C" or better has been earned in each of these courses.
4. A transferred course cannot carry more degree hours than are available in a similar University of Arkansas course. For example, a four-hour principles of accounting course transfers as three degree hours.
5. Business courses completed at the freshman or sophomore level at another institution will not count as equivalents of junior- or senior-level courses offered in Walton College (University of Arkansas), and no transfer credit shall be granted for any such course(s) in Walton College.
6. At least 50 percent of program requirements in business and economics must be taken in residence.
7. MGMT 3013, 21-24 hours of upper division courses required for the completion of the major, and 3-6 hours of additional upper division business courses required for the degree must be taken in residence at the University of Arkansas, Fayetteville.
8. Junior- or senior-level core courses in business and economics may be transferred from a school accredited by AACSB International.
9. Junior- or senior-level core courses taken at a non-AACSB International-accredited, four-year institution must either be repeated or validated by procedures specified and approved by the assistant dean for undergraduate programs.
10. Junior- or senior-level electives in business and economics taken at a non-AACSB International-accredited, four-year institution may be accepted in transfer as junior/senior business electives.
11. Junior- or senior-level courses in business taken by correspondence at AACSB International or non-AACSB institutions may not be accepted and transferred for degree credit.
12. In cases of minors or transfer, students who take courses with different names but with similar content at different institutions or in different colleges within the University of Arkansas, may be allowed degree credit for only one of the courses (i.e.: principles of economics and agricultural economics). Students pursuing degrees and minors within the Walton College must enroll in business courses as designated by their program of study.
13. Courses taken at any higher education institution where the course content is remedial are not acceptable for degree credit.
14. The student should be prepared to submit course descriptions, syllabi, or other course-related information for transfer course work if there is any question as to whether Walton College will grant degree credit for such work.
15. Exceptions: All requests for, exceptions to, and variations from the rules, regulations, and requirements of Walton College and the university should be made in writing to the assistant dean for undergraduate programs. Consult the Undergraduate Programs Office in Walton College for these requests.

Petition of Transfer Credit Students who wish to petition limited transfer **business classes (ex. ECON 299T)** should contact the Undergraduate Programs Office in WCOB 328 for the proper forms. **Students wishing to petition any non-business classes (ex. BIOL 299T)** may download the proper forms online from the Registrar's Office at: <http://registrar.uark.edu/440.php>. Forms must be returned to the Registrar's Office with class syllabus attached.

Transfer Course Equivalency Guide There is a transfer equivalency guide online at: <https://waprd.uark.edu/web-apps/regr/courseequiv/Main>. It has many Colleges and Universities listed but may not list every course from every school. For questions please contact the Registrar's Office/Transfer Credit 575-5451.

Course Loads The normal course load in Walton College is 15 to 17 hours per semester (and six hours per summer term). Students with a 2.75 grade-point average the previous semester may take a maximum of 18 hours. Seniors may take 18 to 19 hours, if required for graduation, during their final semester. Students on academic warning are limited to a maximum course load of 12 hours. University regulations on the number of hours allowed per semester are found in the Orientation and Registration section of the catalog.

Foreign Language Concentration An undergraduate B.S.B.A. degree-seeking student may elect to substitute a minimum of 12 hours in a single upper-level foreign language for 12-15 hours of the 12-15 hours required in the junior-senior business elective block of courses for the degree requirements. Students who choose to use 12 hours of foreign language, but who are pursuing majors requiring 15 hours of junior-senior business electives, must take an additional 3 hour junior-senior business elective to satisfy degree requirements.

Double Major A student may elect to obtain a double major by completing all required courses for two majors in Walton College (but not in two concentrations within a single major). The minimum hour requirement for a double major is 138 degree credit hours to include all requirements for both majors. If there are courses common to both majors, the department chairs involved will agree upon and specify additional requirements in lieu of the common courses. The junior/senior business elective block is reduced by three hours; however, choice of the junior/senior business electives is restricted to no more than three total hours from each department that offers the two majors. Students who have elected to substitute a foreign language course of study for junior/senior business electives must complete 12 hours of junior/senior language courses. The student must notify the Undergraduate Programs Office of intent to pursue a double major. All requirements for double majors must be completed prior to awarding of a degree.

Additional Bachelor's Degrees Students seeking a second bachelor's degree must contact the undergraduate programs office to ascertain specific requirements. Degree candidates must meet the university's general graduation requirements. The university requires that 1) the student take a minimum of 30 semester hours over the requirements for the first degree, and 2) the 30 hours cover a minimum of 36 weeks in residency at the Fayetteville campus. Walton College also requires that the student complete all courses in the pre-business and business core and the major and any additional business requirements. (If some of these have been completed on the first degree, they are waived). It is recommended that any additional courses needed to finish the University's 30-hour requirement be junior or senior business electives. The second degree may be taken after the first is awarded, or both degrees may be awarded simultaneously after completion of all requirements for both.

College Graduation Requirements

1. **University Requirements.** Degree candidates must meet the following: the University's general entrance requirements, number of credit hours required in residence, and the "requirements for graduation," including the University Core American history.
2. **Hour Requirements.** Degree candidates must satisfactorily complete the total number of semester hours specified for the curriculum in courses approved for one of the majors outlined in the succeeding pages. No less than 50 percent of the total credits must be in approved subjects other than business. Not all courses offered by the University will be accepted for degree credit by Walton College. Courses falling into this category are ENGL 0002, ENGL 0013, and MATH 0003. A course is considered developmental if 1) it is so designated by the university or 2) it is a lower-division course taken after a higher-level course is taken. Credit will not be given for duplicate course work.
3. **Grade Requirements.** Students must earn a grade of "C" or better in all pre-business core course requirements. Each student must have a 2.00 cumulative GPA in each of the following areas: a) all work completed at the University of Arkansas, b) all courses specifically designated for the major and c) all required business core courses and required economics courses.
4. **General Education Course Work.** A student's general education course work must satisfy university core requirements, additional college/program course-specific requirements, as well as these two area requirements: 1) social issues, multicultural environment, and demographic diversity, and 2) micro and macroeconomics. If a student has not satisfied these area requirements within the fine arts and/or social sciences areas of the university core, these area requirements must be satisfied through general education electives to allow students to complete degree requirements within the hours indicated above.
5. **Residency Requirements.** Students must earn a minimum of 30 semester hours on the Fayetteville campus—this includes study abroad classes, on-line and Global Campus courses. Other courses paid toward Fayetteville campus tuition and fees may be used with approval. These 30 semester hours must include MGMT 3013, 21-24 hours of upper division courses required for the completion of the major, and 3-6 hours of additional upper division courses required for the degree program. Specifically required junior and senior courses in business or economics must be taken at the University of Arkansas or at an AACSB accredited school. At least 50 percent of the total hours in business and economics must be taken in residence.
6. **Correspondence Course Rules.** No more than 18 hours of course work taken by correspondence may apply toward a degree. These 18 hours may not include more than 12 hours of courses in economics or business and may not include any junior- or senior-level economics or business courses without prior approval of the assistant dean for undergraduate programs.
7. **Catalog/Curriculum Changes.** Business is a dynamic profession, and the college and department curricula are updated continuously to keep pace with changes in the business world. Students entering under this catalog will be required to comply with such curricular changes to earn their degree. The total number of hours required for the degree, however, may not be increased, and all work completed in accordance with this catalog prior to the curriculum change will be applied toward the student's degree requirements. Furthermore, courses incorporated into the curriculum at a level lower than the one the

student has completed are not required for that student unless there are specific prerequisites. Students entering under earlier catalogs are responsible for completing the graduation requirements as published in the catalog in effect when they entered the program. Students having interruptions of their academic programs that exceed two calendar years must complete the requirements published in the catalog in effect when they reenter the program. Exceptions to the graduation requirements must be approved by the assistant dean for undergraduate programs.

Graduation with Honors The bachelor's degree *Summa Cum Laude* (with highest honors), *Magna Cum Laude* (with high honors), or *Cum Laude* (with honors) may be conferred only upon those students who have successfully completed the Walton College Honors Program. Both Walton Scholars and Departmental Scholars are eligible for these designations. Students whose cumulative grade-point average place them in the top 10 percent of their graduating class but who have not completed the Honors Program are eligible for the designation "With Distinction" on their official transcript. Among those students completing the Honors Program, the designations *Summa Cum Laude*, *Magna Cum Laude* and *Cum Laude* shall be determined as follows: **1.** Top 20 percent of students completing the Honors Program: *Summa Cum Laude* **2.** Next 30 percent of students completing the Honors Program: *Magna Cum Laude* **3.** Next 50 percent of students completing the Honors Program: *Cum Laude*. No honors degree will be conferred upon a candidate who has not completed at least 50 percent of his or her degree work at the University of Arkansas or who, in the last four semesters of attendance, has a cumulative grade-point average of less than 3.00 or has received a "D" or "F" in any course in the last semester. Certain other requirements will be outlined on request by the associate dean for undergraduate studies.

Eight-Semester Degree Program Policy The Walton College offers an eight-semester degree-completion program in each of the majors. Some majors offer several concentrations, and eight-semester programs are available for each of the concentrations online at <http://catalogofstudies.uark.edu>.

COOPERATIVE EDUCATION Cooperative education (co-op) is an academic program that enables students to gain degree-related experience prior to graduation. It is a planned, progressive educational strategy in which the student obtains work experience related to his or her academic major and career goals. Participating students earn academic credit for their work experiences and are always paid by their employers. Co-op students can maintain their status as full-time students while participating in the program, even if their co-op experience requires they spend a semester working full-time.

Walton College students are eligible for co-op credit if they have 1) completed the pre-business core and have obtained at least 60 hours of credit, 2) a cumulative grade-point average of 2.5 or better, and 3) a grade-point average of 2.5 or better for the last full-time term completed. Students may receive one hour of credit per semester for a job that requires 12-19 hours of work per week or two hours of credit per semester for a job that requires 20 or more hours per week. A maximum of six hours of degree credit may be awarded as a junior-senior-level business elective. Full-time students who work 40 hours or more per week in internships approved by the co-op education academic coordinator are eligible for three hours of academic credit per semester, or per full summer, provided they have a minimum GPA of 2.75, as well as having received a GPA of at least 2.75 in the prior full-time semester.

Students may seek either to qualify a job they have found themselves for co-op credit, or they may seek an employment opportunity through the Walton College Career Development Center, WJWH 226. The employment opportunity may be either a full-time, off campus work assignment that alternates with semesters spent on campus taking courses (an alternating co-op), or it may be a part-time job undertaken concurrently with course work (a parallel co-op). Once a student has been matched with an approved job, the co-op coordinator, the faculty co-op adviser, the student's work place supervisor, and the student work together to formulate career-related learning objectives for the coming semester of work. These objectives must be in writing and in to the cooperative education coordinator in order for a student to be registered for co-op. At the end of each semester of work, the student is required to submit a three- to five-page paper that re-states the student's learning objectives for the semester and discusses how the job experience fulfilled the objectives. The student is also required to submit an employer evaluation form, and the work supervisor is asked to submit an evaluation of the student's work. For information on participating in Walton College co-op program, a current listing of co-op opportunities, and phone numbers of people with whom you may discuss these opportunities, visit the Cooperative Education home page on the Web at <http://waltoncollege.uark.edu/career/coop.asp>.

HONORS PROGRAM The Walton College honors program consists of two components: the four-year Walton Scholars Program and the Departmental Scholars Program. Students participating in the honors program will be eligible to graduate *Cum Laude*, *Magna Cum Laude*, or *Summa Cum Laude*. Students who do not participate in the honors program are eligible to graduate with distinction, a classification separate from the *Cum Laude* awards. Honors program students will receive priority for participation in the Arkansas Cooperative Education Program, SAKE, the portfolio management class, and financial support for study-abroad programs. They also have access to an honors study area.

Eligibility Admission will be offered to incoming freshmen with a minimum ACT/SAT score of 28/1240 and a high school GPA of 3.75. Honors students are required to maintain a cumulative GPA of 3.50 with no grades of “D” or “F” in any course to remain in the program. All honors students are required to meet with the associate director for honors programs each semester to monitor progress of honors requirements. Students who maintain a GPA of 3.5 but do not complete honors requirements in a timely manner are subject to removal from the honors program at the discretion of the associate director for honors programs.

Requirements for Walton Scholars Program:

1. Complete 17 hours of honors courses with a minimum of 6-9 hours completed from the following honors business courses: BLAW 2013H, ECON 2013H, ECON 2023H, WCOB 1033H or WCOB 2053H (excluding WCOB 1111H). The remaining honors hours may be selected from the University Core. Completing honors courses in the Fulbright College will fulfill this requirement. MATH 2564 may be used as honors credit toward completion of the 17 required honors hours. Students must complete a minimum of 12 hours in the first 30 hours at the UAF campus.
2. Demonstrate proficiency in a foreign language. This requires 0-12 hours of course work. Students must demonstrate proficiency by completing the 2013-level course in any foreign language. Students whose native language is not English must complete a 2013-level course in a language other than their native language from Arabic, Chinese, French, German, Italian, Japanese, Spanish or COMM 2303 and COMM 2323. Students must complete a foreign language or communications course within the first 90 hours at the Fayetteville campus.
3. Students must also complete MATH 2554 with a grade of “C” within the first 45 hours at the Fayetteville campus prior to taking upper-level business classes.
4. Complete the following honors courses in the Walton College:
 - a. Two three-hour honors colloquium courses chosen from the following: WCOB 3003H (may be repeated for up to 6 hours of credit), ACCT 4003H, ECON 4003H, FINN 4003H, ISYS 4003H, MGMT 4003H, MKTG 4003H, SCMT 4003H or other business honors colloquium courses offered irregularly. One three hour colloquium must be completed within the first 90 hours at the Fayetteville campus.
 - b. A three-hour thesis (WCOB 4993H): The thesis is a major independent writing project under the leadership of a Walton College or University of Arkansas faculty member and arises from a research project, business plan, business competition or internship.
5. Complete an alternate honors capstone course MGMT 3013H Honors Strategic Management which should be completed within the first 90 hours at the Fayetteville campus.

Requirements for the Departmental Scholars Program:

Admission to the honors program as a departmental scholar will only be offered to a current University of Arkansas student who has established a cumulative GPA of 3.75 upon completion of their freshman year at the University of Arkansas. Transfer students may also apply upon completion of one semester at the University of Arkansas with a GPA of 3.75. All students must complete an application to be considered for acceptance into the Departmental Scholars Program.

Honors students are required to maintain a cumulative GPA of 3.5 with no grades of “D” or “F” in any course to remain in the program. All honors students are required to meet with the associate director for honors programs each semester to monitor progress of honors requirements. Students who maintain a GPA of 3.5 but do not complete honors requirements in a timely manner are subject to removal from the honors program at the discretion of the associate director for honors programs.

1. Complete nine hours of honors courses to be selected from the pre-business core or the University Core. MATH 2564 may be used as honors credit toward completion of the 9 required honors hours.
2. Students must demonstrate proficiency in a foreign language by completing a 2003 course in any foreign language. Students whose native language is not English must complete a 2003-level course other than their native language or a third language from Arabic, Chinese, French, German, Italian, Japanese, Spanish or COMM 2303.
3. Students must also complete MATH 2554 with a grade of “C” or better within the first 60 hours at the Fayetteville campus and prior to taking upper-level business courses.
4. Complete the following courses in the Walton College:
 - a. Two three-hour honors colloquium courses chosen from the following: WCOB 3003H (may be repeated for up to 6 hours of credit), ACCT 4003H, ECON 4003H, FINN 4003H, ISYS 4003H, MGMT 4003H, MKTG 4003H, SCMT 4003H or other business honors colloquium courses offered irregularly. One three hour colloquium must be completed within the first 90 hours at the Fayetteville campus.

- b. A three-hour thesis (WCOB 4993H): The thesis is a major independent writing project under the leadership of a Walton College or University of Arkansas faculty member and arises from a research project, business plan, business competition or internship.

BUSINESS MINORS Students may elect to obtain a business major and a business minor by completing all required courses for both the major and the minor in the Walton College (but not a major and minor within the same discipline). Students must complete all requirements for both the major and the minor and may not use more than six hours of major courses toward minor requirements. If there are common courses to both, the department chairs involved will agree upon and specify additional requirements. Business minors require the completion of 15 specific hours of study and all upper-level courses applied toward the minor must be taken in residence.

Students may elect to obtain multiple business minors by completing all required courses for all minors in the Walton College (but not minors within the same discipline). Students must complete all requirements for minors and may not use more than three hours of courses toward each of the minor requirements. However, if there are common courses to both, the department chairs involved will agree upon and specify additional requirements.

Students who desire to earn a business minor must notify the Walton College Undergraduate Programs Office of their intent to pursue a minor. All requirements for the minor must be completed prior to the awarding of the student's undergraduate degree. All specific course prerequisites must be met. Each student must have a 2.00 cumulative GPA in the courses offered for the minor.

MINORS IN THE J. WILLIAM FULBRIGHT COLLEGE OF ARTS AND SCIENCES

Students in Walton College may pursue an academic minor in the J. William Fulbright College of Arts and Sciences. Academic minors usually consist of 15 to 18 hours of course work. The available minors and course requirements are specified in the Fulbright College section of the catalog. Students must notify the Undergraduate Programs Office in Walton College of their intention to pursue a minor as early as possible. Walton College will certify that the requirements of the minor have been satisfied by graduation and, with the assistance of the Fulbright College, will advise students on the requirements to complete a minor. The minor will be designated on the student's transcript.

Courses that are part of the University Core Requirements or General Education Requirements or any other non-business course that is part of a student's course of study may also be counted for credit in a minor. For example, ANTH 1023 Introduction to Cultural Anthropology is a concentration in the B.S.B.A. social science bloc and can also be used to satisfy the requirements of the anthropology minor. Other courses in a minor can be counted as general education electives. Walton College economics majors in the business economics concentration or the international economics and business concentration may not obtain a Fulbright College minor in economics. Please check the Catalog of Studies for a complete list of Arts and Sciences minors.

GRADUATE STUDIES The University of Arkansas offers the following advanced degrees in business: Master of Accountancy, Master of Business Administration, Master of Arts in Economics, Master of Information Systems, and various Doctor of Philosophy in Business Administration programs. For further information about these programs and requirements for admission, contact the associate director of graduate admissions at Willard J. Walker Hall 310, Fayetteville, AR 72701 · PH: (479) 575-2851 · FX: (479) 575-8721.

STUDENT ORGANIZATIONS IN WALTON COLLEGE In addition to the general university student organizations, Walton College Student Ambassadors, Leadership Walton and a Dean's Student Advisory Board, there are several college societies open to Walton College students. These include, but are not limited to, the following:

Alpha Kappa Psi (business professional)
American Marketing Association
Assoc. of Information Technology Professionals
Beta Alpha Psi (accounting honorary)
Beta Gamma Sigma (business honorary)
Capital Markets Group (Finance Club)
Council of Supply Chain Mgmt. Professionals

Enactus (formerly SIFE)
National Association of Black Accountants
Omicron Delta Epsilon (economics honorary)
Phi Beta Delta (international scholars honorary)
Society for Human Resource Management
Transportation and Logistics Association
Women in Logistics

ACADEMIC STATUS:

Conditions for Good Status, Warning, Suspension, and Dismissal A student's academic status in the University is determined at the end of each term of enrollment (fall, spring or summer) on the basis of the student's cumulative and/or term grade point average (GPA) and number of hours earned. See the chart below for the required performance levels. The student's academic status governs his or her reenrollment status and determines any conditions associated with reenrollment or denial of enrollment for a subsequent term. Normally, students will be notified individually by the University of their status shortly after the end of each term. However, this policy statement is the formal notification to all students of the conditions that determine academic status and the consequences for each term, regardless of individual notification.

Good Status: Upon initial admission and during a student's first term of enrollment, except for students conditionally admitted on academic warning, the student is in good status. A student remains in, or returns to, good academic status at the end of any term when the cumulative GPA is at or above the required minimum.

Academic Warning: When a student's cumulative GPA falls below the minimum required for good status, the student will be put on academic warning. This status is not recorded on the student's permanent academic record and will not appear on transcripts. A student who enrolls for a term on academic warning may take no more than 12 hours (unless more are approved by the student's advisor and dean). To continue for one or more additional terms on academic warning, the student must earn a term GPA at or above the cumulative GPA required for good status. The student can remain on academic warning until the cumulative GPA is at or above the required minimum for good status unless the student becomes subject to academic suspension by failing to earn the required term GPA.

Academic Suspension: A student on academic warning who does not earn the minimum required term GPA will be suspended from full-time enrollment. No student may be suspended who has not spent the prior term of enrollment on academic warning. A student on academic suspension has two alternatives: limited enrollment or academic leave of one year from the University.

- Students who choose **limited enrollment** may enroll for up to 9 hours of on-campus or Independent Study course work (as approved by the student's advisor and dean) and must earn at least 6 hours of credit with grades of C or higher in all courses taken. A student who meets these conditions may enroll for a subsequent term on **academic warning following suspension**. Students who meet the 2.0 GPA requirement but do not complete 6 hours will not be allowed to enroll for the remainder of the one year suspension period.
- Students who choose **academic leave** may apply for readmission one year after the term of the suspension. A student who does not earn credit from another institution will be readmitted on **academic warning following suspension**. A student who earns credit from another institution(s) during or subsequent to the year of suspension must apply to the University for admission as a transfer student and, if readmitted, will be on academic warning following suspension.

Academic Warning Following Suspension: A student on academic warning following suspension may take no more than 12 hours (unless more are approved by the student's advisor and dean) and must earn a term GPA of 2.00 or higher for each term of enrollment until the student's cumulative GPA is at the level required for good status. Failure to satisfy these requirements will result in dismissal.

Academic Dismissal: A student on academic suspension or academic warning following suspension who does not earn a term GPA of 2.00 or higher and satisfy all other requirements associated with his or her status will be dismissed from the University. A student who has been dismissed may be readmitted only upon action of the Academic Standards Committee. Course work taken through Independent Study while under dismissal may be submitted to the committee as evidence of academic competence. If readmitted, the student may receive degree credit for such course work.

Academic Warning Following Dismissal: A student who enrolls subsequent to an initial dismissal and following favorable action of the Academic Standards Committee is placed on academic warning following dismissal and may take no more than 12 hours (unless more are approved by the student's advisor and dean) and must earn a term GPA of 2.00 or higher. Failure to satisfy these requirements will result in a second academic dismissal. A second dismissal is for five years, after which a student must apply for readmission to the University and may also apply for Academic Bankruptcy. Individual colleges or programs have the discretion to set academic admission and continuation standards for specific programs that are higher than University standards.

Students who are on Academic Dismissal can take Correspondence/Independent Study through the University of Arkansas (and use their grade forgiveness) to raise their GPA. If their cumulative GPA is not a 2.00 or higher they would still have to petition Academic Standards to be readmitted. Students should contact their academic advisor before enrolling in any correspondence courses. See the Global Campus website for application and forms at: <http://globalcampus.uark.edu/>.

Correspondence Course Rules. No more than 18 hours of course work taken by correspondence may apply toward a degree. These 18 hours may not include more than 12 hours of courses in economics or business, and may not include any junior- or senior-level economics or business courses without prior approval of the assistant dean for undergraduate programs.

COURSE PLACEMENT

ENGLISH:

- Students who score 19 or above on the English portion of the ACT (or 470 SAT verbal) may begin the English series with ENGL 1013. Scores below 19 (or 470) require students to take ENGL 0002 Basic Writing with ENGL 1013 Composition I.
- Students who score 30 or above on the English portion of the ACT (or 680 SAT verbal) can be exempt from ENGL 1013 and ENGL 1023 Composition I and II but must complete 6 additional hours of general education electives.

MATH:

- Students who score 18 or below on the math portion of the ACT (or 460 SAT math) must take MATH 0003 Beginning and Intermediate Algebra before taking MATH 1203 College Algebra or MATH 1204 College Algebra with Review. Students must make a grade of "C" or better in MATH 1203 or MATH 1204 in order to take MATH 2053 Finite Math or MATH 2043 Survey of Calculus.
- Students who score 26 or above on the math portion of the ACT (or 600 SAT math) may skip MATH 1203 College Algebra or MATH 1204 College Algebra with Review and start with MATH 2053 Finite Math or MATH 2043 Survey of Calculus. MATH 2554 Calculus I may be substituted for MATH 2043 Survey of Calculus and MATH 2564 Calculus II may be substituted for MATH 2053 Finite Math.

Math Placement: The UA Math Placement Assessment is completed online through the student's ISIS portal at <http://isis.uark.edu>, starting in Mid-April, ideally before the orientation session prior to matriculation. It is composed of review problems and three timed assessments. All students must start with UA Preparedness for Algebra (PALG). Upon satisfying the minimum score for PALG, the student may continue with UA Mastery of College Algebra (MALG). Upon satisfying the minimum score for MALG, the student may either place in the desired course (see list below) or take UA Preparedness for Calculus (PCALC) if they wish to place into MATH 2554C Calculus I. Students have three attempts to satisfy the minimum score for each assessment and ample opportunity to study sample problems to review the required mathematical skills. If, after three attempts, students do not meet the minimum score (below), they will only be allowed to enroll in the course in which they qualify.

If the student wishes to enroll in:	Student must score at least the following on the Math Placement Test	Student is exempt from taking the Placement Test with the following minimum ACT or SAT MATH Score
MATH 2554/2554c Calculus I*	PCALC 80%	ACT Math 30 OR SAT Math 680
MATH 2183 Mathematical Reasoning MATH 2053/2053c Finite Math MATH 2043/2043c Survey of Calculus MATH 2033 Mathematical Thought MATH 1284c Precalculus MATH 1213 Plane Trigonometry	MALG 80%	ACT Math 26 OR SAT Math 600
MATH 1203/1203c College Algebra	PALG 80%	ACT Math 23 OR SAT Math 540
MATH 1204 College Algebra with Review**	PALG 70%	ACT Math 19 OR SAT Math 460

*Only students who score a minimum of 30 on ACT Math or 680 on SAT Math are eligible to take MATH 2554H Honors Calculus I. **If the score is not at least one of the minimums listed for MATH 1204, the student will be required to take MATH 0003.

DEGREE REQUIREMENTS

Bachelor of Science in Business Administration (BSBA)

The Bachelor of Science in Business Administration degree is offered through an educational program in the business and organizational disciplines intended to prepare individuals to make sustained contributions to organizations and society in a global, diverse, and dynamic environment. To achieve this objective the curriculum focuses on developing an individual's interdisciplinary problem-solving skills, interpersonal and communication skills, ability to adapt to changing technology, spirit of entrepreneurial innovation, and ethical and professional values.

Walton College offers work in the following nine majors for the B.S.B.A. degree. Some majors have concentrations to allow additional specialization.

Accounting (ACCT)

Economics (ECON)

Concentration I – Business Economics

Concentration II – International Economics and Business

Finance (FINN)

Concentration I – Banking

Concentration II – Financial Management/Investment

Concentration III – Insurance

Concentration IV – Real Estate

Concentration V – Personal Financial Management

General Business (GBUS)

Information Systems (ISYS)

Concentration I – Enterprise Resource Planning

Concentration II – Enterprise Systems

Concentration III – IT Applications Management

Management (MGMT)

Concentration I – Human Resource Management

Concentration II – Small Business and Entrepreneurship

Concentration III – Organizational Leadership

Marketing (MKTG)

Retail (RETL)

Supply Chain Management (SCMT)

Concentration I – Transportation and Logistics

Concentration II – Retail Supply Chain Management

Core Requirements for B.S.B.A. and B.S.I.B Degrees

Students pursuing a degree in Walton College are classified as pre-business with an intended major until all pre-business requirements are fulfilled. To enroll in upper-division courses, a student must obtain at least a 2.50 (on a 4.00 scale) overall grade-point average in addition to the completion of all pre-business core courses (or equivalents), also with a minimum 2.50 GPA. Further, a student must earn a grade of "C" or better in each pre-business core course for admission into the major or for the graduation requirement.

General Education Electives for BSBA ONLY Students seeking the BSBA are required to complete 12 hours of general education electives. A general education elective class is any class that is not a business class or a remedial class (0003 class). Students may not take more than three hours of PEAC or DEAC courses to satisfy the general education elective requirement. Electives may be used to fulfill the requirements for a minor from another University of Arkansas college. In addition, these electives may fulfill requirements for social issues, multicultural environment and demographic diversity if not otherwise completed in the University Core or other degree requirement areas.

Business Requirements for B.S.B.A. Degree

PRE-BUSINESS CORE

All Walton College of Business students must complete the pre-business requirements with the required grades and grade point average prior to enrollment in junior or senior level business courses in the Walton College. (students must also maintain 2.50 to remain in upper level classes) To be eligible to enroll in upper division business courses in the Walton College of Business a student must:

- Have at least a 2.50 overall GPA.
- Have at least a 2.50 pre-business GPA.
- Grades of “C” or better in all pre-business courses.

Pre-Business Core:

Bachelor of Science in International Business Degree (B.S.I.B.)

The Bachelor of Science in International Business degree is intended for students who wish to learn more about the international aspects of business. It provides preparation for a broad range of careers in business, including accounting, management, marketing, economics, information systems, finance, and supply chain management. This degree is also well suited for students wishing to continue their studies in law, international affairs, or graduate education in business and economics.

This degree requires completion of the University Core and Walton College Core courses, as well as course work in international business, a single foreign language and an area of study related to that language. In addition, students must select a concentration in one of the following areas: accounting, business economics, information systems, finance, general business, management, marketing or supply chain management.

Core Requirements for B.S.I.B. Degree—refer to pages 14 & 15

Business Requirements for B.S.I.B. Degree

<p>PRE-BUSINESS CORE</p> <p>All Walton College of Business students must complete the pre-business requirements with the required grades and grade point average prior to enrollment in junior or senior level business courses in the Walton College. NOTES:

[illegible]

Area Studies Requirements For students taking a foreign language, nine hours of upper-division course work in the J. William Fulbright College of Arts and Sciences are required. Domestic students can satisfy this requirement in one of three ways:

- 1) any upper division foreign language course,
- 2) a minor in a foreign language, and/or
- 3) select upper division courses related to the foreign language to include:

- **Arabic** – any upper division course for Middle Eastern Studies (MEST) to include MEST 4003, 4003H or additional courses listed under MEST in the university catalog
- **Chinese/Japanese/Asian Studies** – any upper division course for Asian Studies (AIST)
- **French** – any upper division course for EUST
- **German** – any upper division course for EUST
- **Italian** – any upper division course for EUST
- **Spanish** – any upper division course for Latin American Studies (LAST) or European Studies (EUST) to include LAST 4003, LAST 4003H, or LAST 470V or additional courses listed under LAST in the university catalog, or EUST 399VH, EUST 4003, EUST 4003H, EUST 470V, or EUST 470VH or additional courses listed under EUST in the university catalog.

International students may satisfy this requirement in one of two ways:

- 1) For students who choose to take a third language, area studies requirements are the same as those for domestic students.
- 2) For students who choose to take six hours of upper division English to satisfy their language requirement, nine hours of upper division course work in the J. William Fulbright College of Arts and Sciences pertaining to the United States to include any upper division course for American Studies (AMST) listed in the University catalog.

International Experience Requirement

At a minimum, a domestic student must complete a study abroad program approved by the Walton College of at least four weeks and six credit hours, or work abroad, or work with the international division of a domestic company as part of their program. Students are strongly encouraged, but not required, to seek job experience in a company located in a country related to their foreign language requirement.

Clarifying Notes on Degree Requirements

Courses that are required in either Walton College or the international business core and also are required in one of the business concentrations cannot be used to satisfy both requirements. For example, students who take FINN 3703 to satisfy the finance concentration requirements cannot also use it to satisfy the international business requirements.

NOTES:

Business Minors for Business Students

The Sam M. Walton College of Business offers a variety of business minors for students desiring specific knowledge in another area of business (outside of their major) to assist them in their business careers. All minors require the completion of 15 specific hours of study with the exception of International Business which requires 21 hours. All upper-level courses applied toward the minor must be taken in residence. Students who desire to earn a Business Minor must notify the Walton College Undergraduate Programs Office of intent to pursue the minor. All requirements for the minor must be completed prior to the awarding of the student's undergraduate degree. All specific course prerequisites must be met. Each student must have a 2.00 cumulative grade point in the courses offered for the minor.

Note: No more than 6 hours of major courses may be used toward minor requirements. No more than 3 hours of minor courses may be used toward requirements for multiple business minors. See page 9 for more information.

GLOSSARY OF TERMS

Academic Advisor A student's academic advisor helps the student develop an academic plan leading to graduation. This plan is developmental and includes choosing the appropriate classes, meeting core and major requirements and planning for a future career

Academic Calendar A calendar of dates showing when fall, spring, and summer terms begin and end as well as other related dates, such as finals week and commencement

Academic Dismissal A student on academic suspension who does not earn a term GPA (see *grade point average*) of 2.0 will be dismissed from the university and unable to return except through appeal to the Academic Standards Committee

Academic Honesty The University's Code of Academic Integrity emphasizes that a student's work must be her own

Academic Load A full-time load of classes totals 12 or more credit hours during the fall and spring terms and 6-7 credit hours during a summer term

Academic Status A combination of term and cumulative grade point averages determines a student's academic "health" – whether he is in good shape academically, under a warning status, suspended from full-time enrollment, or dismissed from the university

Academic Suspension A student on academic warning who does not earn the minimum required grade point average will have to choose between a year's academic leave from the university or a limitation of taking 9 credit hours

Academic Warning A student whose semester grade point average falls below what is required for good status will be placed on academic warning and limited to 12 credit hours the next semester.

Academic Year An academic year consists of the fall and spring semesters/terms plus the summer terms

Blackboard Online course management system used at the University of Arkansas. Instructors upload course materials which students can read and respond to online.

BSBA Bachelor of Science in Business Administration; A degree offered through an education program in the business and organizational disciplines intended to prepare individuals to make sustained contributions to organizations and society in a global, diverse and dynamic environment. To achieve this objective the curriculum focuses on developing an individual's interdisciplinary problem-solving skills, interpersonal communication skills, ability to adapt to changing technology, spirit of entrepreneurial innovation, and ethical and professional values. This degree requires completion of the University Core and Walton College Core courses, as well as course work in a specific business discipline.

BSIB Bachelor of Science in International Business; A degree intended for students who wish to learn more about the international aspects of business. It provides preparation for a broad range of careers in business, including accounting, management, marketing, economics, information systems, finance, and supply chain management. This degree is also well suited for students wishing to continue their studies in law, international affairs, or graduate education in business and economics. This degree requires completion of the University Core and Walton College Core courses, as well as course work in international business, a single foreign language, an area of study related to that language and a concentration in a business discipline.

Business Core Twenty-one hours (7 courses) of business courses required of all business majors that are intended to expose students to the major disciplines of the Walton College

CAPS Counseling and Psychological Services offered through the Pat Walker Health Center

Career Development Center Resources, both in-person and online, to help students choose majors and careers, write resumes and cover letters, find jobs, and the like. The Walton College Career Development Center is located in Willard J. Walker Hall, room 226.

Catalog of Studies Online comprehensive reference tool listing degrees and courses offered at the U of A as well as additional information about costs, financial assistance, and campus resources

Center for Educational Access Central campus resource for students with disabilities to obtain accommodations needed for equal access to education

Chair of Department Administrative head of an instructional unit

Chancellor Chief Executive Officer and leader of the university

Code of Student Life Outline of student responsibilities on and off campus and a description of disciplinary processes and sanctions should students not accept and practice these responsibilities

College An undergraduate division of a university offering courses and degrees; The Sam M. Walton College of Business is one of 6 academic colleges at the University of Arkansas.

Concentration A particular emphasis within a major designed to focus coursework toward a specific field. For example, the Walton College offers concentrations in banking, management/investments, insurance, real estate and personal financial management within the Finance major.

Co-requisite A course that must be taken at the same time as another course

Course Number A number combination that follows a course name and indicates the level of the course and the number of credit hours the course carries. For example English 1013 is a freshman-level course (the first number) and carries three hours of credit (the last number)

Credit Hour College courses are usually measured in credit hours with one credit hour equal to 15 clock hours a semester. A three-credit hour class, therefore, would involve 45 clock hours of instruction either on-line or in a classroom.

Curriculum A program of courses approved for a particular degree. To earn a degree in a particular program, a student must complete the curriculum for that program.

Dead Day The day between the end of the term and the beginning of the final examination period; Called "Reading Day" at some colleges, this day without either classes or exams is used as a time to finish up course papers or prepare for final tests.

Dean The administrative head of a college or unit; Dr. Eli Jones is the current Dean of the Sam M. Walton College of Business.

Degree An academic degree is an award conferred by a college or university signifying that the recipient has satisfactorily completed all requirements for the degree

Degree Plan/Requirements A list of courses and other requirements needed to complete a degree

Degree-Seeking Student A student who is enrolled in courses for credit and recognized by the university as taking these courses to earn a degree.

Department A division of a college or university that is responsible for a given subject, such as English, mathematical sciences, computer science

Distance Learning A student learns remotely, usually via technology, and works on his/her own rather than being in a classroom. These courses may include independent study courses through Global Campus.

Doctorate The highest earned academic degree conferred by a university. A **Ph.D. or an Ed.D., a doctorate**, is awarded for at least three years of graduate study in a field (not necessarily philosophy) capped by a dissertation, or a written document of extensive research.

Drop/Add Period The period of time at the beginning of each term when students can drop or add classes without penalty

Early Progress Grades Progress reports for students in 1000 and 2000 level classes, usually during the seventh week of the semester

Elective A course that a student can select from among alternatives

Fees Required payments in addition to tuition, such as lab fees, student activity fee, technology fee, recreational fee, and the like

FERPA The federal Family Educational Rights and Privacy Act of 1974 states that student educational records are confidential and may not be released without the consent of the student.

Full-Time Student A student who takes 12 or more credit hours a semester

Good Status A combination of credit hours earned and grade point average that demonstrate adequate progress toward a degree (see pages 10-11 of this book)

Grade Appeal A process by which a student may question the fairness or accuracy of a grade

Grade Forgiveness A student may improve her undergraduate cumulative grade point average by repeating a maximum of two courses in which she previously earned a D or F

Hold A registration hold occurs when the university blocks a student's access to the registration system because she has not met a particular requirement, such as paying a library fine or a parking ticket, taking care of a disciplinary sanction, or participating in a required advising session.

Incomplete An instructor can assign an "I" or *Incomplete* grade when a student has a legitimate reason for not being able to complete course requirements within the timeframe of the course

Internship Student integrates career-related experiences into an undergraduate education by participating in supervised work

ISIS Integrated Student Information System, a software program that allows information on students – address, academic history, grades, etc – to be kept in one place and accessed electronically

Loans/Grants Loans are borrowed money that must be repaid with interest; grants are monetary awards given to students to pay for college expenses and do not have to be repaid.

Major A field of study for a degree

Minor Secondary area of academic study requiring fewer courses and credits than a major

Natural Sciences Science courses pertaining to the "natural" world, such as biology, physics, and chemistry

Non-Credit Educational course that does not offer credit toward a degree

Non-Degree Seeking Student A student taking classes but not intending to apply these courses toward a degree

Non-resident A student who is not classified as an Arkansas resident for the purpose of paying tuition and fees

Online Classes Regularly scheduled classroom instruction is replaced by required activities completed at a distance and managed online

Overload Registering for a number of credit hours above those considered the maximum full-time load

Override A request to be placed in a class that has reached the listed capacity in ISIS; Each department on campus develops its own override request process; however, business course override requests are submitted online during specific time periods each semester. Overrides for full business classes are reviewed on a first-come, first-served basis and are not guaranteed.

Placement test A test given to a student entering a college or university to determine specific knowledge or proficiency in a subject for the purpose of assignment to the appropriate course

Plagiarism Taking someone else's work or ideas and passing them off as one's own

Pre-Business Core The 25 hours of courses that business majors must complete in order to be eligible to enroll in ANY 3000 or 4000 level business courses. Students must earn a grade of "C" or better in all pre-business core courses and must have cumulative and pre-business GPAs of 2.5 in order to move to upper-level business classes.

Prerequisite A requirement that must be met before a subsequent activity can take place, such as a course that must be completed prior to beginning another course

Priority Registration Period The time during which current students may register for upcoming semesters. Typically priority registration for spring classes is the first two weeks of November and priority registration for summer and fall classes is the first two weeks of April. Students are assigned a specific registration date and time by classification.

Professor Highest academic rank at a university

Provost The Provost is the second in command at the university and is responsible for all academic areas. At the University of Arkansas, all college deans report to the Provost.

Quality Points Quality points are used to calculate students' grade point averages. Each letter grade is worth a certain number of points: A = 4, B = 3, C = 2, D = 1, F = 0

Registrar An administrator in a college or university who is in charge of the student records of enrollment and academic standing

Scholarship A type of financial aid in the form of a grant that is given for achievement in academics or other areas and that does not have to be repaid

Semester A half-year term in a college or university, typically lasting between fifteen and eighteen weeks

Student ID Number The 9-digit number assigned to each student upon application to the University of Arkansas and used for accurate record-keeping. This number identifies the student as unique from all other students much like a Social Security number identifies citizens for governmental purposes. Your student ID number may be found on your ID card and should be memorized and included in all correspondence with University officials.

Student Standing Also called classification, student standing is determined by the number of completed hours at the end of each term. Up to 30 hours = freshman, 30-59 hours = sophomore, 60-89 hours = junior, 90 hours or above = senior

Study Abroad Educational activities or programs which a student completes outside the United States; these can include credit or noncredit courses, service learning, field research, travel seminars, etc

Supplemental Instruction (SI) SI is a peer-facilitated academic support program that targets difficult courses and offers regularly scheduled out-of-class small group discussions and review sessions for clarification of the material taught in the courses.

Syllabus An outline of the goals of a course, materials to be used, schedule of topics, methods of evaluation

Term Generally a synonym for a *semester*

Transcript List of courses accumulated through university study and the grades earned; available through the registrar's office

Transfer Equivalency Guide A database accessed through the registrar's web page that shows which courses transfer to the University of Arkansas from other schools and how they transfer

UGPO Abbreviation for Undergraduate Programs Office located in Business Building, room 328 and is home to advising, undergraduate recruitment and the honors program for business students

University Core 35 credit hours of general education courses designed to provide students with foundational critical thinking and communication skills, application of quantitative skills, the understanding of the human heritage, and adaptability to a changing world – all characteristics of a broadly educated individual

Upper-Level Business Course Any 3000 or 4000-level business course

“W” A grade indicating that a student withdrew from a class after the first ten days of the semester but before the course drop deadline

WCOB Abbreviation for Walton College of Business; Students often refer to the Business Building as the WCOB.

WJWH Abbreviation for Willard J. Walker Hall which houses classrooms, the Graduate School of Business and the Walton College Career Development Center
