Junior/Senior Business Electives (12 hours)

Selection of electives should be made in consultation with academic advisers. Students planning on taking professional examinations should ascertain course requirements by examining authorities. Successful completion of a Master of Accountancy Degree from the University of Arkansas will qualify a student to take the CPA examination in Arkansas. B.S.B.A. graduates would need additional accounting hours and other courses amounting to a total of 150 semester hours to sit for the CPA exam in Arkansas.

The following courses are highly recommended to satisfy the junior/senior business elective requirement: ACCT 310V, ACCT 410V, ACCT 4003H, FINN 3013, FINN 3103, FINN 3703, ISYS 4213 or any 3-hour Walton College Study Abroad Course. No more than six hours of accounting may be in the major.
