<b>ISYS 4213 ERP Fundamentals (Sp)</b>			*Required virtual meeting – see UAConnect
<b>MKTG 4433 Retail Strategy (Fa)</b>			

General Online Info: You'll be able to determine the materials (textbook) needed for each course you are taking this term on UAConnect by either looking at the details of each class or through the University Bookstore. Should you access the University Bookstore's website (<http://shop.uofastore.com/courselistbuilder.aspx>), you will need to enter each class you are enrolled in to find a list of the materials required. Another way to view the materials needed for each course is on UAConnect. Under the "Academics" section of your student center, select "View my Class Schedule" and choose the term. At the top of the schedule, you'll see a "View Materials" button. This second method will only work if you're already enrolled in your courses.

You essentially have three lifelines during your time here at the University: email, UAConnect, and Blackboard. Please be sure to check your UARK email regularly as this is our primary point of contact with you. You will use UAConnect to manage your account information, register for classes, and monitor holds on your account. You'll then use your UARK email credentials to access your class/classes on Blackboard (<http://learn.uark.edu>), where you will access all of your classes during the semester. Your courses should be visible in Blackboard by the first day of classes. If you are unable to see one or more of your classes by 5 p.m. on the first day of the term, please email your professor to request access and inquire as to when access will be given. Deadlines will be set for assignments and exams; however, you complete the coursework on your "own time." There are no scheduled virtual class meetings. For more information regarding campus resources, please visit <http://onestop.uark.edu/#filter=.undergrad-online>.

Enrollment instructions can be found here: [https://help-uaconnect.uark.edu/\\_resources/documents/enrollclass.pdf](https://help-uaconnect.uark.edu/_resources/documents/enrollclass.pdf). When you get to step 9, be sure to also select "online classes" to limit your search results.
