Welcome to the 5th annual WISE Future Leaders Symposium at the University of Arkansas! We are grateful for the opportunity to host you all. Your presence adds tremendous value to this event, and we are thrilled to have such a diverse group of women in attendance this year. It has been a pleasure to work with the other members of the WISE Connections Advisory Board to plan an impactful experience for each of you. The Board is confident that the connections made over these next two days will have a lasting impression on our collective journey toward a brighter, wiser future.

Best,

Abby Garretson
Co-Chair of the 2023 WISE Connections Advisory Board

Thursday Opening Session Speakers

**SHELLEY SIMPSON**
President  
J.B. Hunt Transport

Shelley Simpson is President of J.B. Hunt Transport Services, Inc. Her 29-year career at J.B. Hunt reflects the company’s continued progression as an innovative leader in the transportation and logistics industry.

Since joining J.B. Hunt as an hourly customer service representative, she has held multiple positions in business segments across the company, including leading Integrated Capacity Solutions, Truckload, Customer Experience, Highway Services and most recently serving as Chief Commercial Officer and Executive Vice President of People and Human Resources.

While leading the strategic direction of marketing, sales, customer experience, and external product development, Shelley also led the development of the company’s freight matching technology platform J.B. Hunt 360°®. As the company evolved the platform and its technology-driven services, Shelley was also responsible for commercializing them on a global scale as the leader of International Services.

In 2021, she was named one of the Top 100 Women in Supply Chain by Supply Chain Digital and has been named one of the top 100 HR Professionals by the National Diversity Council in 2022. She recently received the 2022 Woman of the Year in Innovation award by the Women’s Foundation of Arkansas and the Excellence in Free Enterprise Award from Economics Arkansas.

---

**SYDNEY EMRICH | MODERATOR**
Sr. Manager, Sales  
J.B. Hunt Transport

Sydney Emrich serves as a Sr. Manager of Sales overseeing our Business Development Representatives. Sydney has been with J.B. Hunt Transport for 8 years holding a variety of positions across pricing, operations, and sales.

Over the past 6 years, she has served on the Board for GROW (Growing and Retaining Women) specifically focusing on our career pillar. She is an alum of the University of Arkansas. Outside of work Sydney enjoys spending time with her husband, Matt and 4-month-old daughter, Blakely.
Thursday Opening Session Speakers

BILL DIETRICH
Senior Vice President of Intermodal Operations
J.B. Hunt Transport

Bill Dietrich is Senior Vice President of Intermodal Operations at J.B. Hunt Transport Services. He has worked at J.B. Hunt for 26 years. His first 19 years were spent in various decentralized operations roles within the Dedicated Contract Services business unit.

Bill worked for J.B. Hunt in the Detroit, MI area for 6 years and then in Dallas, TX for 13 years before moving to Northwest Arkansas for his current role. He graduated from Michigan State University with his degree in Supply Chain Management. He lives in Fayetteville with his wife and 10 year-old daughter. Outside of work, he is a lifelong runner who has adopted cycling since moving to Arkansas.

DONNA FIELDING
Intermodal Director of Safety
J.B. Hunt Transport

With over 31 years in the Transportation Industry, Donna is responsible for promoting and enhancing the Company’s safety culture and risk management initiatives within the Intermodal Business Unit. In her role as Intermodal Director of Safety, she is a strategic partner to the business, with responsibilities in enterprise-wide collision and injury reduction strategies.

Donna has served as a J.B. Hunt representative at CVSA - Enforcement and Industry Modernization Committee, a NATMI Certified Director of Safety, Certified Smith System Instructor, and has held her Class A CDL for several years.

Donna is also involved in several internal organizations. She has served as a mentor for J.B. Hunt’s Growing and Retaining Outstanding Women Employee Resource Group and Veteran’s Employee Resource Group, has served on the Truck Driving Championship Committee, serves on the Board for Veteran’s Employee Resource Group, and serves on the Transportation Technology Committee. She has been recognized as a repeat organization change management contributor through Elevation.

Outside of work, Donna enjoys the outdoors with her family and riding motorcycles. She resides in Fayetteville with her husband, Jason and her son, Alex.
Thursday Opening Session Speakers

**VANA MATTE**

Senior Vice President of Engineering and Technology  
J.B. Hunt Transport  

Senior Vice President of Technology Services JB Hunt & Member Board Of Directors at Sun Source Industrial Distribution & NACD Cybersecurity Oversight Certified & NACD.DC Directorship Certification

She was one of the first female vice presidents in a non-support role in company history, was one of the youngest ever area marketing managers, and has held a leadership position at J.B. Hunt since the age of 23. Tami was one of the first employees of J.B. Hunt's Integrated Capacity Solutions (ICS) business unit in 2007 and has since helped the business unit expand to nearly $2.5 billion in revenue.

Tami is an advocate for inclusion and empowerment and is passionate about creating opportunities for women at J.B. Hunt and in the transportation and logistics industry. In 2014, Tami co-founded J.B. Hunt's first employee resource group GROW, and currently serves as the organization's president. She was selected as a Top Woman to Watch in Transportation by Women In Trucking in 2019.

Tami is actively involved in the community. A cancer survivor, she and others in the community raised nearly $100,000 to support the Susan G. Komen 2018 Big Wig Campaign.

---

**MARIA SMITH**

Director I, Engineering and Technology  
J.B. Hunt Transport  

Maria Smith earned a Bachelor of Science in Business Administration from the University of Arkansas at Pine Bluff. She also earned a Master of Business Administration from Baker University. Maria joined J. B. Hunt Transport, Inc. 5 years ago. She is a Director I, Engineer & Technology on the Enterprise Services Team.

In her free time, Maria enjoys spending time with her family, traveling, and attending live music events. Favorite Quote (and why it is your favorite) “Don't listen to those who say YOU CAN'T. Listen to the voice inside yourself that says, I CAN.” – Shirley Chisolm

---

**TAMI ALLENSWORTH**

Senior Vice President of Customer Experience  
J.B. Hunt Transport  

Tami Allensworth serves as the Senior Vice President of Customer Experience for J.B. Hunt where she takes a great focus on ensuring customer success for the company. Tami has been with J.B. Hunt for more than 30 years, and during this time, she has held a variety of positions in Marketing, Sales and Customer Service.
Friday Symposium Speakers

Walmart Opening Fireside Chat

CAROLYN CADE
Vice President Last Mile Platform
Walmart

Carolyn Cade serves as the Vice President of Last Mile Platform at Walmart. Prior to Walmart, Carolyn worked as an Operations Director for Amazon and various managerial roles at Boeing.

Carolyn received her Bachelors in Aerospace Engineering from North Carolina State University. She has multiple Masters degrees including her MBA from Sloan School of Management at MIT.

MEGAN FERGUSON
Vice President E2E Delivery Acceleration & Support
Walmart

Megan Ferguson serves as the Vice President of End to End Delivery Acceleration and Support at Walmart. She started her Walmart career in 2007 as a Private Fleet Strategy Intern. She received her Bachelors degree in Supply Chain Management from Michigan State University.

Early in her career she had roles with Penske Logistics and Sam’s Club before coming back to Walmart. As her career has progressed, she has increased her level of responsibilities in a wide variety of roles. She has a reputation for being a great leader and an inspiration and role model for other women in supply chain.
Friday Symposium Speakers

Chainmakers Panel

AMY CEGIELSKI
Senior Client Visibility Solutions Manager
Echo Global Logistics

Cegielski joined Echo Global Logistics in 2012 as a Carrier Sales Rep, spending 8.5 years building a strong carrier network and internal reputation of delivering high levels of client service before moving into her current role, Sr. Visibility Solutions Manager. In this role, Amy leads Echo's strategic initiatives focused on meeting client visibility expectations.

She is one of the leaders of the Women at Echo Business Resource Group and is passionate about helping other women build their careers and promoting their accomplishments. Amy holds a Bachelor of Science in Marketing and Business Management from the University of Arizona and a Masters in Public Administration from South University.

ANNA PECKHART
Director of Network Fulfillment
Ulta Beauty

Anna leads the Supply Chain Network Fulfillment team at Ulta Beauty and has held several SC roles with increasing responsibility since joining Ulta in 2017. Anna is adept at identifying gaps and business opportunities and uses a capabilities-driven approach to develop actionable, guest-centric strategies and roadmaps.

She leads eCommerce fulfillment and Omnichannel operations at Ulta, driving end-to-end process efficiency and improving order fulfillment performance.

Prior to joining Ulta Beauty, Anna was a Supply Chain consultant at Ernst & Young where she brought to life her passion for driving business transformation through discipline, creativity and collaboration. As a consultant, she executed projects spanning the end-to-end Supply Chain in the Retail, Automotive, Industrial Products, and Consumer Products sectors.

Anna holds a Bachelor's degree in Management and a Master's degree in Business Administration from the Krannert School of Management at Purdue University, where she focused on Supply Chain Management and Accounting. Outside of work, Anna serves as a mentor to young professional women and enjoys spending time with her family in Chicago.
Friday Symposium Speakers

Chainmakers Panel

EMILY CORRIGAN
National Account Executive US Land
DB Schenker

Emily has 24+ years transportation experience. She has been with DB Schenker – US Land for 7 years. She is currently a National Account Executive. Emily is also a board member with U-NOW, US Land Network of Women, supporting diversity and inclusion by holding up women in transportation especially those in roles that have traditionally been held by their male counterparts.

In her time spent in the trucking industry she has worn many hats. Her background is solid and diverse having held positions in recruiting, account management, logistics planning, driver management, and pricing before her current role in sales. When she is not working she enjoys spending time outdoors with her daughters and son, Anna Claire – 21, Ellie – 19, and Cash – 11. She also loves her Alma Mater the University of Arkansas and attending Razorback sporting events especially football and baseball. Something you may not know about her is that she has run 6 half marathons, and would love to do another in the next year.

SAMANTHA ALLEY
Network Scheduling Manager
The Clorox Company

Samantha is a Network Scheduling Manager for The Clorox Company, a global manufacturer and marketer of consumer and professional products. In the 10 years she has worked at Clorox, she has had the opportunity to hold various roles within the company to expand her skills and knowledge.

In her current role, based in Rogers, AR, she oversees the planning and execution of the Glad product portfolio across multiple manufacturing sites and distribution centers. She is responsible for ensuring optimal inventory levels, service rates, and costs, while driving process improvement initiatives and cross-functional collaboration. She has a BBA from University of Arkansas System eVersity and is working towards an MBA in supply chain management.
Friday Symposium Speakers

Deloitte Panel

CHUTIAN LI
Consultant
Deloitte

Chutian is a Consultant with various project experience at Deloitte. She completed her undergraduate and MBA in supply chain management. Chutian is passionate about leading DEI initiatives and raising awareness for her community.

ELIZABETH BECK
Supply Chain Senior Manager
Deloitte

Elizabeth is a seasoned Supply Chain Senior Manager with a remarkable track record spanning over 20 years of distinguished supply chain experience. Her outstanding expertise revolves around orchestrating seamless digital transformations that empower her clients to harness the full potential of the digital product thread.

MODERATOR: WANDA JOHNSON
Supply Chain Technology Fellow
Deloitte

Wanda is a transformation leader with over 20 years of combined consultancy and industry experience focused on reshaping end-to-end solutions from order management to fulfillment for retail and consumer products sectors.

My passion for digital technology and warehouse automation has propelled me to successfully lead comprehensive end-to-end supply chain transformation engagements. I enjoy volunteering with nonprofits helping them to improve donations intake to increase the efficiency to distribute goods to people in need.
Friday Symposium Speakers

Changemakers Panel

ANGELA FORREST
Sr Manager of NA Transportation Operations, Technology & Analytics
Kenvue

Angela Forrest is a seasoned professional in the field of supply chain, currently serving as the Senior Manager of NA Transportation Operations, Technology & Analytics at Kenvue.

A graduate of California State University, Fullerton, with a degree in Operations Management, Angela’s career with Kenvue spans over 2.5 years, where she has made significant contributions to the company’s transportation strategies. Prior to her role at Kenvue, Angela developed her expertise in transportation during a progressive career at J.B. Hunt Transportation, where she delved into various departments and roles. Her hands-on experience and commitment to optimizing transportation operations have positioned her as a valuable asset in the industry. With her passion for supply chain and background, Angela brings an outside-in focus, strategically implementing innovative technology and data-driven solutions to enhance the efficiency and effectiveness of transportation operations at Kenvue.

CANDACE PALMAROZZI
Vice President and Controller, Finance
BNSF Railway

Candace Palmarozzi was named vice president and controller for BNSF Railway in August 2020. In this role, she is responsible for financial budgeting, forecasting, accounting and reporting.

Candace was previously vice president, corporate controller and chief accounting officer at Borden Dairy Company. Prior to Borden, she spent five years at Lennox International, a Texas-based HVAC products manufacturer. Candace spent the first 10 years of her career with accounting firm PwC.

Education
• Bachelor of Business Administration, Accounting, University of Texas at Austin, 2003
• Master in Professional Accounting, University of Texas at Austin, 2004
• Master of Business Administration, Northwestern University, Kellogg School of Management, 2019
• Certifications/Affiliations/Community Involvement
  • KPMG’s Executive Institute for Women, 2016-2017
  • President and Vice President of Lennox Women’s Business Council (“LWBC”), 2015-2017
  • Texas Certified Public Accountant since 2005
Friday Symposium Speakers

Changemakers Panel

**KRISTIN STEELE**  
Vice President, Supply Chain Supplier and Inventory Management  
Sysco

I am a proven, effective Executive leader of a Fortune 100 Company, Sysco Corporation. By possessing over twenty years of merchandising and inventory management experience, I lead a team that is able to develop and execute clear strategies by effectively partnering with internal and external partners.

After graduating with my Bachelor's Degree in Business Administration and Management, I propelled myself and my career doing exactly what I love!

I have a few guiding principles that I follow: 1) always lead with integrity, 2) deliver a high performing team, 3) stay grounded to understand what I am asking of the team, 4) develop an influential cross functional relationship with my peers and 5) always keep the customer in the room.

I'm also a fanatic for details focusing on the necessary operating processes to ensure profitability, develop competent structures and create a strategic roadmap that will work to implement executional plans across our business. I have the privilege of many other roles and responsibilities which includes Coach, Colleague, Cheerleader, Friend, Aunt, Daughter, Wife and Mother.

---

**NATALY GREINER**  
Senior Director Supply Chain Operations - Walmart  
Procter & Gamble

My background blends nearly 16 years of supply chain, operations, and manufacturing background within a global CPG organization. I bring an extensive track record of managing and optimizing supply chain performance across all touchpoints, with measurable impact on efficiency, waste reduction, and cost savings.

I've been involved in all facets of the manufacturing process, managing specific functions up through plant-wide operations at a major regional production facility. The diversity of my roles has provided me with the kind of business and technical acumen needed to navigate complex supply chain challenges, and strengthen critical networks that enable us to meet capacity and business goals. As a leader, I place high value on bringing teams together and creating a culture of excellence in driving business results.
Friday Symposium Speakers

WISE Words Workshop Speakers

**BETH PITTMAN**  
Co-Founder  
Skills Lab Training

Beth Pittman is a proven Human Resource expert with over 20 years of talent acquisition experience in consumer goods, retail sectors, and the healthcare/medical industry. She started her career at Walmart Inc. and recruited for a number of different departments.

In 2020, Beth co-founded Skills Lab Training (SL) – a company focused on coaching students and professionals in their new career steps. SL coaches individuals on career planning, job search, interview prep, networking, and negotiation. Beth is a Board member of Dress for Success NWA. Beth has lived in Northwest Arkansas for over 20 years and is well-connected to many leaders in the area. She is also a frequent speaker on recruiting trends at HR conferences. She is a trusted advisor in recruiting and consults with hiring managers regarding compensation plans, job descriptions, succession planning, and workforce development.

**KRISSY GLASS**  
Vice President Client Engagement  
Uber Freight

Krissy has 24 years of supply chain and logistics experience with deep expertise in the consumer packaged goods (CPG) industry. Krissy is the Vice President of Operations at Uber Freight in Rogers, AR and is responsible for strategic and operational support of various CPG and retail accounts.

Prior to joining Uber Freight, Krissy served in various leadership roles at Kraft Foods, Sara Lee and most recently as the Vice President of Customer Supply Chain leading Supply Chain and Replenishment on the Walmart / Sam’s team for the Kellogg Company. Krissy is passionate about empowering women in Supply Chain and is a supporter of the University of Arkansas WISE and NextUp. Krissy is a graduate of Western Michigan University. She married her high school sweetheart, Brendan, and they have two children, Aidan and Morgan. In her spare time, she supports her daughter’s passion of competitive swimming and is a nationally certified USA Swimming Official.

**MCKENZIE MEEHAN**  
Business Category Lead for Walmart Soup  
General Mills

McKenzie Meehan is the Business Category Lead for Walmart Soup at General Mills. She is responsible for creating a strong partnership with the different Walmart teams. She analyzes trend and consumer habit data to maximize the performance of the retail customer. She also creates mods for the soup category and leads recruiting for General Mills at the University of Arkansas.

McKenzie has held various roles within General Mills since she graduated from the University of Arkansas in 2020. She is active in a variety of industry organizations. As U of A WISE President, she helped lead the planning and execution of the first WISE Future Leaders Symposium.
